Technical Acceptance Certificate Canada

Certification No.: 6534A-CE00

Dear Sir, Madame,

Evaluation of the documentation provided for re/assessment of the V6000 has been completed and I am pleased to advise that the device meets the Industry Canada procedural and certification requirements. Certificate No. CA000539V has been issued for this device.

The assigned certification number prefixed by the characters "IC:" must be shown on each equipment model. This certification information must be permanently affixed to the device by labelling or other means, such that it is not removable except by destruction or defacement. It may be shown on the equipment model identification plate or on a separate label.

Details of this certification have been notified to Industry Canada and will appear in the REL in due course. Please note that it is not allowed to market this device in Canada until details of the certification have been added to the REL.

Yours sincerely,

EMCCert DR. RAŠEK GmbH
